YOU ARE MORE

You are more than a number,
You are more than a grade on a paper or a score on a text.
You are a special person,
A person with unique skills, gifts and talents,
person with feelings, you get excited, happy, angry, sad.
You get frustrated when you don't get the results
and sometimes you worry too.
You are a person with hopes, dreams, plans.
You are more than your results in an exam.
Please remember, you are special. **Sandy O'Donoghue**
