ST. FRANCIS OF ASSISI

Oct 4th. St. Francis of Assisi was a courageous spiritual warrior. One day when praying in the dilapidated church of San Damiano, Assisi, he heard a voice say, "Go and repair my church." At first Francis worked to fix the building, but later understood that his real call was to renew people spiritually. Francis received the stigmata when replicas of the Saviour's wounds appeared in his hands and side, acknowledging the saint's intimacy with Christ. He died in 1226. St. Francis pray for us.
